### About Mandla Money

Mandla Money's core functionality is in tracking user account balances on the Stellar/Ripple blockchain network using Mandla Wallet with the interface based on Whatsapp to make it intuitive and easy to send and receive payments. Mandla Pay is a web application for bulk distribution of digital assets of welfare or grants. Lastly, Mandla Merchant - functionality for receiving payments via a text based ID (i.e Stellar memo) which enables economic activity in low-tech environments.
